

Mobilization and Engagement of Parliamentarians Working Group Terms of Reference

This Working Group is responsible for coordinating and leading Together 2030 mobilization and engagement with Parliamentarians for the implementation and accountability of the 2030 Agenda.

It is responsible, among other issues:

- To gather and share information with the Initiative about how Parliamentarians are engaging at the implementation and accountability of the 2030 Agenda at all levels and how Parliaments are prioritizing and monitoring this Agenda.
- For keeping the Initiative informed about main opportunities for advancing Together2030 priorities in partnership with Parliamentarians and Parliaments,
- To draft materials and tools that can support Members of Together 2030 and partners in the mobilization and engagement of Parliaments and Parliamentarians for the implementation and accountability of the 2030 Agenda.
- To promote and deliver concrete advocacy actions on behalf of Together 2030 for the mobilization and engagement.

Expected Deliverables:

This Working Group is expected to lead the work of Together 2030 regarding advocacy, mobilization and engagement of Parliamentarians and Parliaments in the implementation and accountability of the 2030 Agenda. Specific products/deliverables will be set by the Group.

Duration:

This is a **long term** Working Group and will provide continued support and guidance to the Initiative.

Membership: This Working Group is open to all members of Together 2030. Those joining after the start of consultations will need to conform to the deadlines established for the work.

Working Methods

All work will be conducted **remotely**. Virtual spaces for collaboration will be created to collect inputs from members of the Working Group. Webinars will be planned as the work develops. Colleagues needing accessible version of working documents should contact the Secretariat bilaterally.

A facilitator (or co-facilitators) will be designated to lead the work of the Group. A Core Group Member will be assigned with the responsibility of following this working group and keeping the Core Group informed of advances. Subgroups may be established whenever the WG deemed it appropriate.
