UN SDG Action Campaign around the world

Campaigns, activations, events or exhibitions in collaboration with the UN SDG Action Campaign have taken place in these countries in recent years.
BRING TOGETHER THE GLOBAL COMMUNITY TO TAKE ACTION TO MAKE AGENDA 2030 A REALITY

The Global Festival of Action for Sustainable Development is a ground-breaking annual event powered by the UN SDG Action Campaign with the support of the German Federal Ministry for Economic Cooperation and Development. The Festival recognises and celebrate the innovators, conveners and breakthrough actors who are transforming lives, tackling trade-offs and generating practical solutions to some of the world’s most intractable development problems.

Taking place in Bonn each year, the Global Festival of Action for Sustainable Development provides a dynamic and interactive space to showcase the latest innovations, tools and approaches to SDG implementation.

PERCEPTION DATA TO INFLUENCE AND MONITOR THE AGENDA UP TO HLPF

HLPF is a central platform for follow-up and review of the 2030 Agenda toward SDG implementation.

The MY World 2030 (myworld2030.org), an adaptable platform for citizen-generated data and engagement with the SDGs, will support countries in their review process, allow them to listen to their people on what they are passionate about in the SDG agenda and offer a gauge of perceived progress until 2030.

MY WORLD. THE UNITED NATIONS GLOBAL SURVEY FOR A BETTER WORLD.
GLOBAL DAY OF ACTION #ACT4SDGS

On the occasion of the anniversary of the adoption of the Sustainable Development Goals on September 25th, the UN SDG Action Campaign and partners call for actions across the world to tell people about the SDGs.

As part of the Global Day of Action, the #Act4SDGs social media campaign amplified through Thunderclap encourages citizens to take action for the SDGs, and to tell leaders how we are doing through the global MY World 2030 survey.

2017 #ACT4SDGs highlights:
- 834+ actions
- 500+ organizations
- 109+ countries
- 20+ million social media reach

ENGAGING GROUND-BREAKING INNOVATORS WITH THE SDGS

Innovation for all is a forum for interdisciplinary knowledge transfer and showcase of cutting-edge ideas from different stakeholders, world regions and sectors to capture the disruptive thinking of innovators and the breakthrough technologies they develop and make them available to all people across the world to drive implementation of the SDGs.

Leading innovators and heads of the major global companies gather at the UN to discuss with Member States and the UN-System how innovations and the new opportunities available can drive action to solve the world's biggest challenges.

A film series on inclusive innovation and sustainability will tour the world and inspire collective action - through workshops, hackathons, screening events - to engage the innovation community to solve the biggest problems of today.

CELEBRATE SDG ACHIEVEMENT

The UN SDG Action Challenge Awards is an annual competition that seeks to reward the best advocacy and communications initiatives around the SDGs. For over three years, the Campaign has coordinated this yearly event, recognizing partners for their commitment to including peoples’ voices into the Agenda. Harness the learnings, categories and format to create your own national / local challenge and awards ceremony.

Applications are open until 15 January 2018. The winners will be celebrated at the Global Festival of Action
